**DETAILED ACTION**

***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, line 3, "the first and second interfaces" lack antecedent basis.

Claim 1, line 4, "said card board" lacks antecedent basis.

Claim 1, line 6, "said first interface" is unclear. Is it the interface of the storage device or the interface of the card substrate?

Claims 4, 5, line 3, "said card board" lacks antecedent basis.

Claims 4, 5 line 3, "the connector of said storage device" lacks antecedent basis.

Claim 6, line 3, "said memory card" lacks antecedent basis.

Claim 7, line 2, "said card board" lacks antecedent basis.

Claims 11, 12, line 2, "said first interface" is unclear. Is it the interface of the storage device or the interface of the card substrate?

Claim 14, lines 5, "said connector" is unclear which one?

Claim 17, line 1, "said external equipment" lacks antecedent basis.

Claim 18, line 2, "the master/slave" lack antecedent basis.

Claim 21, lines 1-3 is unclear how the first interface is parallel interface and ATA/ATAPI interface. Second interface has similar problem.

Art Unit: 2831

Claims 2, 3, 8-10, 13, 15, 16, 19, 20, 22 are included because of their dependencies.

***Allowable Subject Matter***

Claims 1-22 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

The following is an examiner's statement of reasons for allowance:

The limitation "an interface conversion circuit for converting said second interface into said first interface" in combination with other limitations present is neither taught nor disclosed in the prior art of record.
